Quarterly Bulletin on Employment and Unemployment Indicators

1. Introduction

1.1 Periodic Labour Force Survey (PLFS)

1.1.1 Considering the importance of availability of labour force data at more frequent time intervals, National Statistics Office (NSO) launched Periodic Labour Force Survey (PLFS) in April 2017. On the basis of PLFS¹, Quarterly Bulletins are brought out, corresponding to different quarters of the survey period, giving estimates of labour force indicators, viz., Labour Force Participation Rate (LFPR), Worker Population Ratio (WPR), Unemployment Rate (UR), distribution of workers by broad status in employment and industry of work in the Current Weekly Status (CWS) for the urban areas. Twenty-four Quarterly Bulletins starting from the quarter October - December 2018 upto the quarter July - September 2024 have already been released.

This Bulletin for the quarter ending December 2024 is the twenty-fifth in the series.

1.2 Indicators presented in this Bulletin

1.2.1 In this Bulletin indicators of employment and unemployment in current weekly status (CWS) are presented for the urban areas separately for the periods:

- October – December 2023
- January – March 2024
- April – June 2024
- July – September 2024
- October – December 2024

1.3 PLFS fieldwork during the quarter October – December 2024

The fieldwork for collection of information in respect of all the samples allotted for the period October-December 2024, were completed timely for the first visit as well as revisit samples, except for twelve first visit first stage units (FSU²s); three in the state of Manipur, two in the state of Maharashtra, Odisha, Assam and one each from Gujarat, Kerala and Andaman & Nicobar Islands and eight revisit FSUs (four from State of Maharashtra, two from state of Karnataka and one each from Madhya Pradesh and Andaman & Nicobar Islands), which were treated as casualty.

These aspects may be kept in mind while using the estimates of PLFS for the concerned quarter.

¹The ‘Concepts and Definitions’, ‘Sample Design and Estimation Procedure’ and *Schedule of PLFS (Schedule 10.4)* (first visit and revisit) may be perused as Appendix C, Appendix D and Appendix E, respectively in the Annual Report, PLFS: 2023-24, which is accessible at www.mospi.gov.in.

² Urban Frame Survey Blocks (UFS) are the smallest area units taken as first-stage sampling units (FSU) in urban areas for PLFS.

2.Key findings

2.1 Labour Force Participation Rate (LFPR) in current weekly status

2.1.1 Labour force refers to the part of the population which supplies or offers to supply labour for pursuing economic activities for the production of goods and services and therefore, includes both ‘employed’ and ‘unemployed’ persons. Labour Force Participation Rate (LFPR) is defined as the percentage of population in the labour force. Labour force according to *current weekly status* (CWS) is the number of persons either employed or unemployed on an average in a week of 7 days preceding the date of survey. In Statement 1, estimates of LFPR in CWS are presented.

Statement 1: Labour Force Participation Rate (in per cent) in CWS in urban areas			
survey period	male ^{\$}	female	all-India person ^{\$}
(1)	(2)	(3)	(4)

October – December 2024	58.5	20.0	39.6

Statement 1: Labour Force Participation Rate (in per cent) in CWS in urban areas

\$: includes Transgender

2.2 Worker Population Ratio (WPR) in current weekly status

2.2.1 Worker Population Ratio (WPR) is defined as the percentage of workers in the population. The workforce measured in CWS gives the average picture of the workforce in a short period of one week during the survey period. The estimate of workforce in the CWS provides the number of persons who worked for at least 1 hour on any day during the 7 days preceding the date of survey. In Statement 2, estimates of WPR in current weekly status are presented.

Statement 2: Worker Population Ratio (in per cent) in CWS in urban areas			
survey period	male ^{\$}	female	all-India person ^{\$}

July – September 2024	54.8	18.6	37.0
October – December 2024	55.0	18.4	37.1

^{\$}: includes Transgender

2.3 Distribution of workers in current weekly status by broad status in employment

2.3.1 The workers in current weekly status are classified into three broad categories according to their status in employment. These broad categories are: (i) *self-employed*, (ii) *regular wage/salaried employee* and (iii) *casual labour*. Within the category of *self-employed* two sub-categories have been made as follows: (i) *own account worker and employer* combined together and (ii) *unpaid helper in household enterprises*. In Statement 3, distribution of the workers of age 15 years and above in CWS by status in employment are presented. It may be noted that self-employed persons who did not work either due to sickness or due to other reasons though they had self-employment work are included in column 4 of this Statement. Thus, the estimates given in column 4 may be higher than the sum of the estimates in column 2 and column 3.

Statement 3: Percentage distribution of persons (of age 15 years and above) working according to CWS by broad status in employment in urban areas

survey period	status in employment						all-India

2.4 Distribution of workers in current weekly status by broad industry of work

2.4.1 Three broad industries of work which have been considered here are agriculture sector (NIC-2008 codes 01-03), secondary sector along with mining and quarrying (NIC-2008 codes 05-43) and tertiary sector (NIC-2008 codes 45-99). Distribution of workers of age 15 years and above in CWS, in these three broad industries of work are given in Statement 4.

Statement 4: Percentage distribution of workers (of age 15 years and above) in CWS by broad industry of work in urban areas

survey period	agriculture sector (NIC-2008 codes 01-03)	secondary sector along with mining and quarrying (NIC-2008 codes 05-43)	tertiary sector (NIC-2008 codes 45-99)	all-India

2.5 Unemployment Rate (UR) in current weekly status

2.5.1 *Unemployment rate (UR)* is defined as the percentage of unemployed persons in the *labour force*. The estimates of unemployed in CWS give an average picture of unemployment in a short period of 7 days during the survey period. According to the *current weekly status (CWS)* approach, a person was considered as unemployed in a week if he/she did not work even for 1 hour on any day during the reference week but sought or was available for work at least for 1 hour on any day during the reference week. In Statement 5, estimates of Unemployment Rate in CWS for the periods are presented.

Statement 5: Unemployment Rate (in per cent) in current weekly status in urban areas			
survey period	male ^{\$}	female	all-India person ^{\$}
(1)	(2)	(3)	(4)
age: 15-29 years			
October – December 2023	14.6	22.5	16.5

3. Sample Size

3.1 Sample Size in urban areas in each of the survey period October – December 2023, January – March 2024, April – June 2024, July – September 2024 and October – December 2024: In urban areas, a rotational panel sampling design was used and in this rotational panel scheme each selected household in urban areas is visited four times – one with first visit schedule and other three with revisit schedule. In the Table below, the sample size in terms of FSUs (Urban Frame Survey blocks), households and persons in urban areas is given, separately for each of the survey period October – December 2023, January – March 2024, April – June 2024, July – September 2024 and October – December 2024. It may be noted that in each of these periods, besides the first visit sample (25 per cent of total sample size), samples in respect to three revisits (75 per cent of total sample size) were also surveyed.

all-India			
survey period	FSU (UFS blocks [#])	household	person
October- December 2023	5,697	44,544	1,69,209
January – March 2024	5,706	44,598	1,69,459
April – June 2024	5,735	45,016	1,71,121
July- September 2024	5,739	45,005	1,70,598
October- December 2024	5,742	45,074	1,70,487

#: Urban Frame Survey (UFS) blocks

3.2 Considering low sample sizes for giving estimates at different levels of disaggregation, the tables are presented in respect of Andhra Pradesh, Assam, Bihar, Chhattisgarh, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Odisha, Punjab, Rajasthan, Tamil Nadu, Telangana, Uttarakhand, Uttar Pradesh, West Bengal and Delhi.
